Metropole

Alberto Baraya, Alice Miceli, Cao Guimarães Hélio Oiticica, Isaac Julien, Lucia Koch, Marco Maggi, Marcos Chaves, Melanie Smith, Milton Machado, Paul Ramírez Jonas, Paulo Bruscky, Raul Mourão, Vik Muniz and Virgínia de Medeiros.

In a world where the majority of the population lives in cities, *Metropole* shows how some artists in the last 40 years have viewed and journeyed through the places we inhabit. Organized by the gallery's artistic director Alexandra Garcia Waldman, the exhibit features these artists' takes on the city and urban living, with its specificities, complexities, and adversities, from critical, creative, and poetic viewpoints.
